EN TRÁMITE

This beautiful one bedroom apartment boasts plenty of Catalonian features. This master bedroom is spacious, light and has its own walkin wardrobe. The bathroom is modern, and has lots of natural light. The living room and dining room is spacious yet comfortable with plenty of room to entertain guests and relax after a long day exploring the city of Barcelona. There is a communal terrace, for you to enjoy the sunset over looking the city. The kitchen is cosy, well furnished with all that you need. The decor is very up to date with a modern finish yet with traditional features. The surrounding area of the apartment is lovely. with numerous parks, churches and shops within walking distance. The metro station is also only a 3 minute walk away. There is also an approved plan for an elevator in the building.
